

Spring 2022

Research August 2022

Customer Satisfaction Survey Background

- Initiated in Spring 2011
- Covers all modes – Bus, Rail, Light Rail & Access Link
- Was paused during COVID in lieu of COVID Travel Surveys
- Currently conducting Spring and Fall surveys each year
- Customers rate their satisfaction with about 40 service traits on a scale of 0 to 10
- Customers select their top five most important service traits
- Survey is administered online with an extensive campaign to increase participation and boost response rates in target markets
- Methodology has remained consistent to track scores over time

Customer Satisfaction Survey

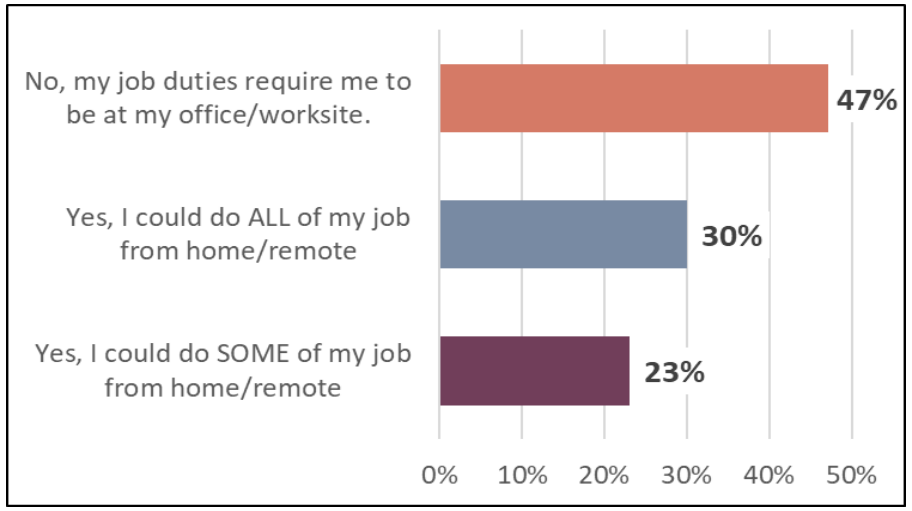

Spring 2022 Survey Background

- Conducted from May 16th through June 7th
- Received nearly 35,000 surveys - Response Rate 13%
- Survey included standard Customer Satisfaction questions and COVID-related questions
- To encourage more participation -- offered 250 NJT Rewards Points to all customers that completed the survey and were a member or signed up for NJT Rewards

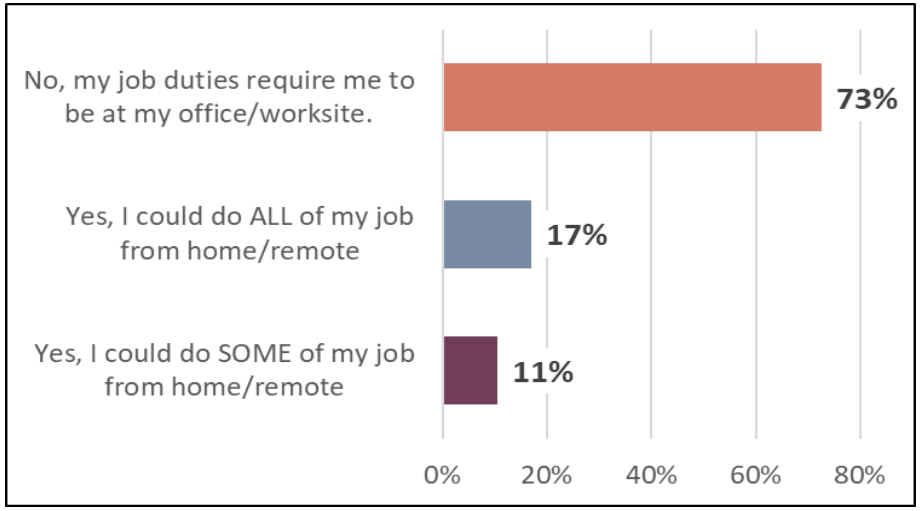

COVID-Related Findings - Could your Job be done at Home or a Remote Location? *Respondents: customers traveling by NJT to Work*

Customer Satisfaction Survey

Bus Score Context

- *New Articulated Buses*
  - Strategic deployment of new articulated buses to increase capacity on routes that experience high ridership demand, including the Nos. 1, 25, 70, 119, 123, 125, and 126
- *Ongoing Delivery of New Cruiser Buses*
  - Infrastructure adjustments in garages allowed us to place new 45-foot cruiser buses in Oradell and Fairview garages for the first time starting last summer
  - New cruiser buses have been added to most Bergen County lines
  - In addition to the updated technology of the new fleet, seating capacity is also increased per bus from 49 to 57 seated customers

Customer Satisfaction Survey

Bus Score Context

- *Terminal Improvements*
  - Significant improvements to customer amenities at Bus Terminals and Park/Ride locations throughout the system (e.g., Howell Park & Ride, Lakewood Bus Terminal, Irvington Bus Terminal), upgrading and/or renovating items such as lighting, waiting rooms, restrooms, sidewalks, cosmetic issues, etc.
  - Major renovations completed at Newark Penn Station bus lanes including improved lighting, safety improvements, customer signage and roadway paving

Customer Satisfaction Survey

Bus Score Context

- *Off-Board Fare Collection Pilot at PABT*
  - Implemented a pilot on the No. 126 route during weekday evening peak periods where staff with handheld scanning devices are pre-validating tickets for customers in the queue at PABT, to evaluate technologies that will help reduce departure delays at the terminal by reducing the amount of time it takes to load a full bus.
- *Comprehensive Schedule Re-Build*
  - Completed in three phases over the course of the pandemic to enhance running time and operator recovery, close service gaps and better balance customer demand, and improve overall on-time performance and reliability – more than 200 bus routes have been adjusted.

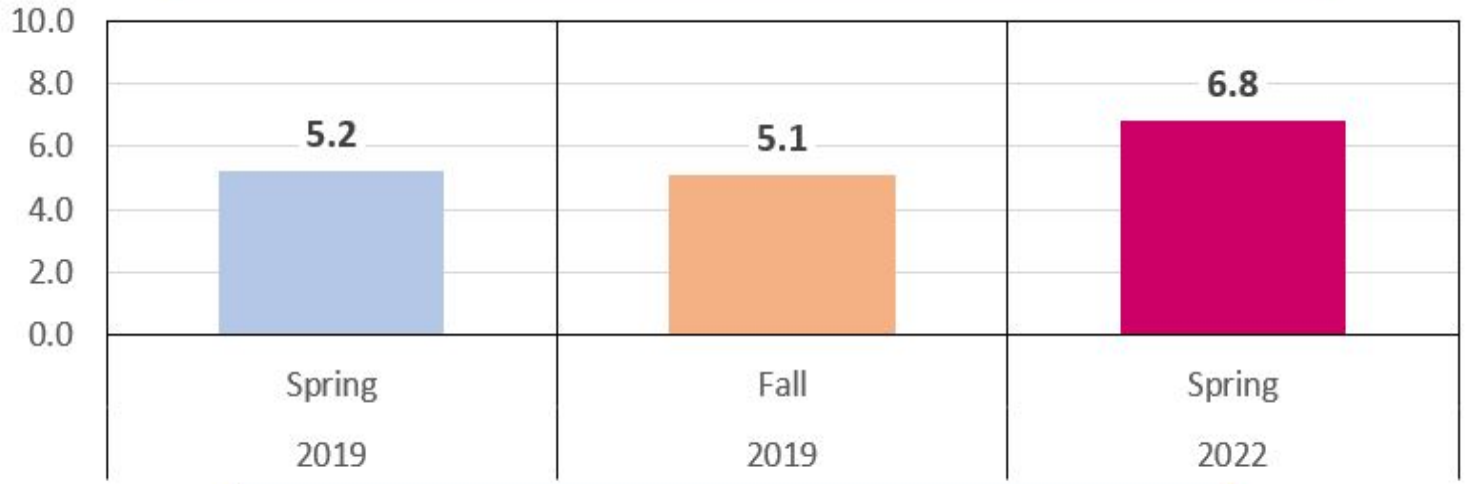

Customer Satisfaction Survey

Bus Score Context

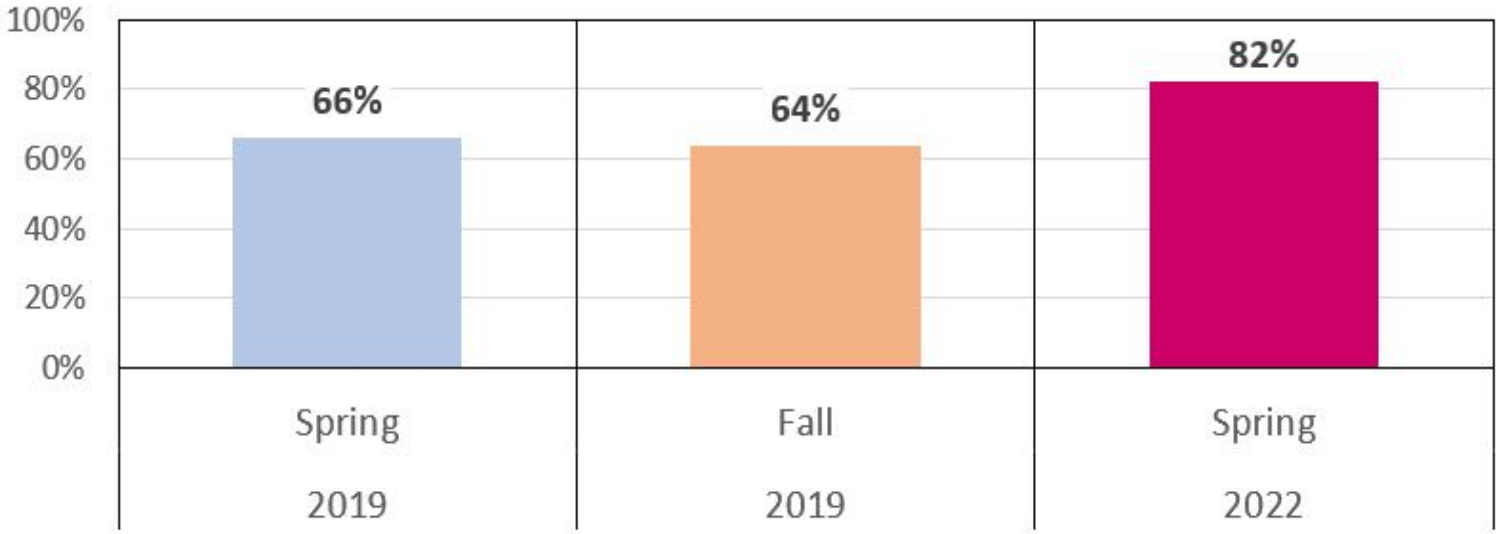

- *Service Planning*–Improvements to bus routes across the system since the last survey include:
  - Addition of 8 new Sunday services in April 2021 to provide customers and in particular frontline workers transportation access daily
    - Two new northern interstate routes: Nos. 115 and 154 and two North Jersey intrastate routes: Nos. 26 and 58.
    - The other four are in south Jersey (Nos. 412, 457, 603, 619)
  - April 2021 rebuild of the entire No. 1 line
    - New headways and additional service daily
    - Addition of articulated vehicles for more capacity
    - Service now operates out of three garages for better flexibility
  - Extended bus routes at the customer request:
    - No. 48 service to Perth Amboy and Metro Park on weekends where there was no prior
    - No. 73 weekend service now ends at Penn Station instead of East Orange
    - No. 139 late evening trips added to weekday headway
    - No. 160 weekday service to Elmwood Park
    - No. 455 to JFK Hospital and Inspira Medical Center
    - No. 608 to Mercer County Airport and Homefront Care Facility

Customer Satisfaction Survey

Rail Score Context

- Scheduled Service
  - Overall Rail System Ridership
    - Weekdays: fluctuates between 45-60% of pre-covid totals
    - Weekends: fluctuates between 80-90% of pre-covid totals
  - Weekday Rail Service Reductions implemented in 2018-2020 mostly restored as of November 2021
  - Some restored service adjusted to reflect emerging ridership trends
  - Weekend service on Main Line and Bergen County Line expanded
- Service Delivery
  - For 6 months November 2021-May 2022:
    - 93.1% OTP
    - 115,356 trains operated
    - 1,743 trains annulled or cancelled

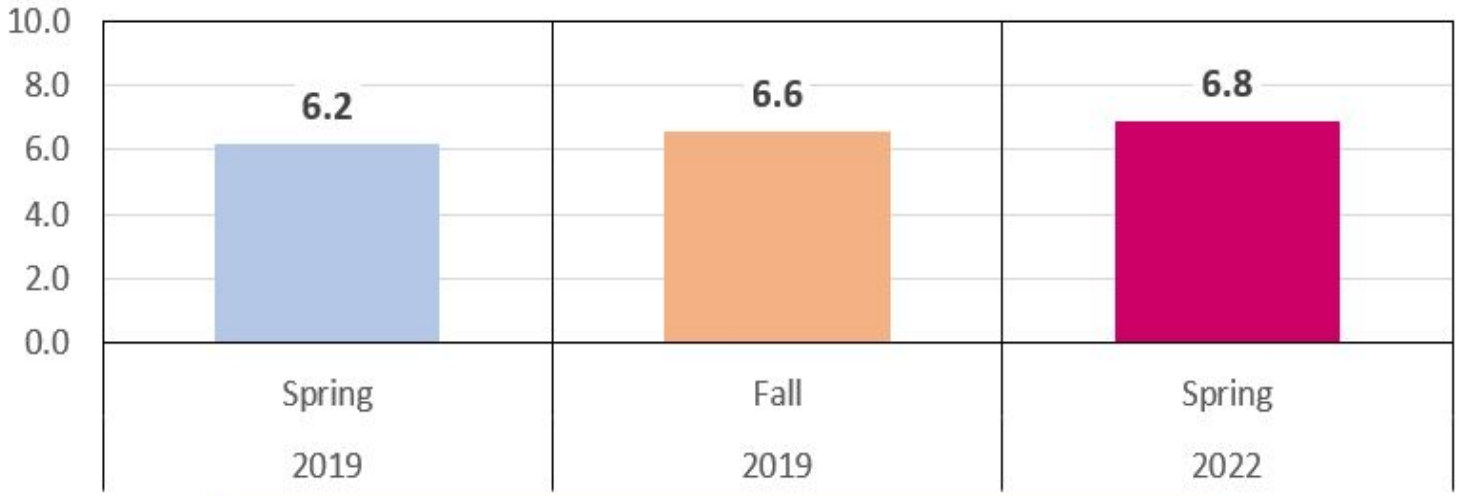

Customer Satisfaction Survey

Rail Score Context

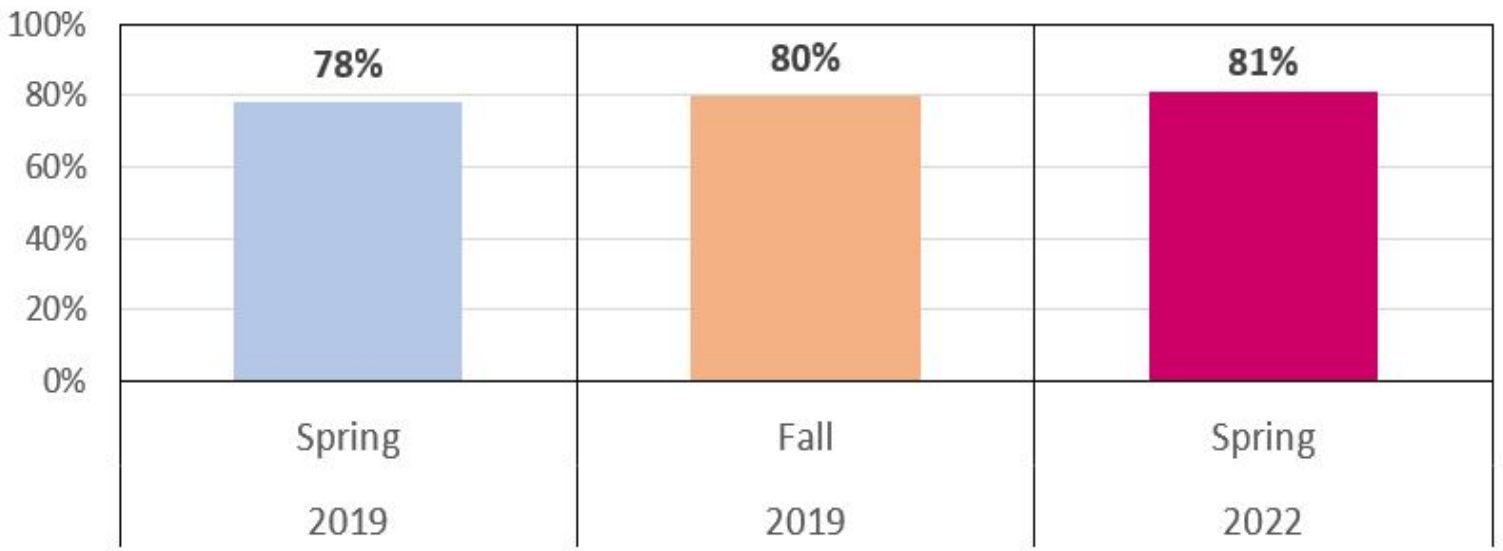

- Overall Scores
  - Full schedule improves experience for those who are riding
    - Parking availability
    - Seating availability
    - On-time arrival at destination - trains can recover from minor delays
  - Weekend/Holiday service scored lowest across all rail markets
    - Limited options to expand service
    - Maintenance outages and trackside incidents affected weekend service delivery
- Going Forward
  - Resiliency of off peak and weekend schedules
  - Montclair Line Weekend score stands out – only service trait that scored below 5 (3.90)

LIGHT RAIL

1,256 Light Rail Surveys

Customer Satisfaction Survey

Light Rail Score Context

- *Safety/Security*
  - Currently upgrading camera systems at stations, facilities, and onboard light rail vehicles to enhance safety and security
- *Ticket Purchasing*
  - Systemwide replacement/modernization of Ticket Vending Machines (TVMs)
  - Upgrades to the mobile app allowing customers to purchase and activate tickets prior to boarding any light rail vehicle
  - Fare modernization pilot at Grove St. and Orange St. stations on Newark Light Rail utilizing new digital ticket validators that will soon allow for tap and go purchasing

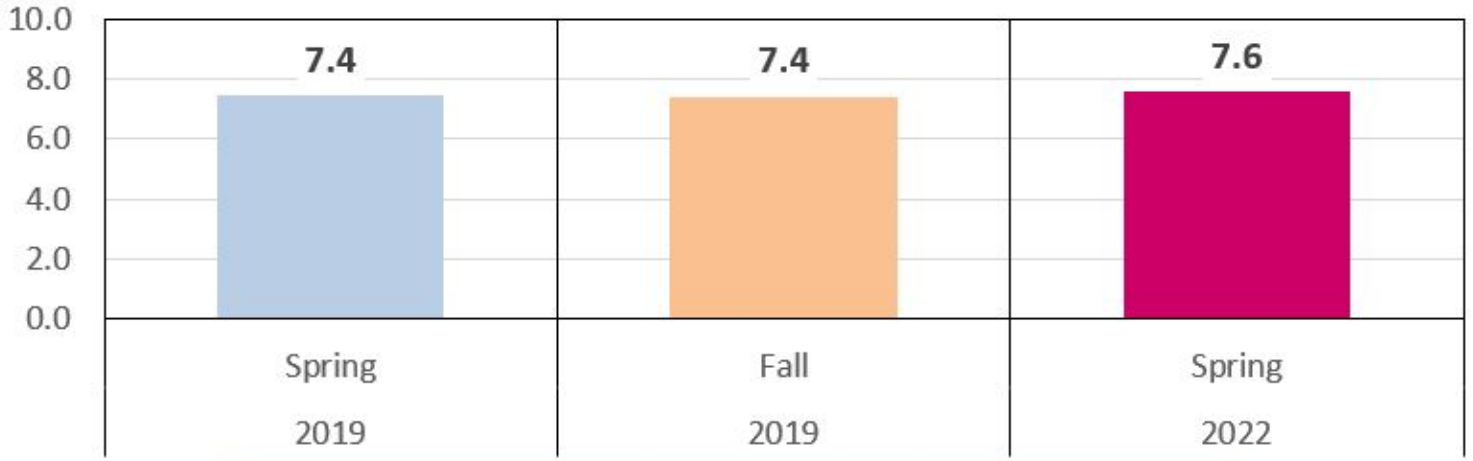

Customer Satisfaction Survey

Light Rail Score Context

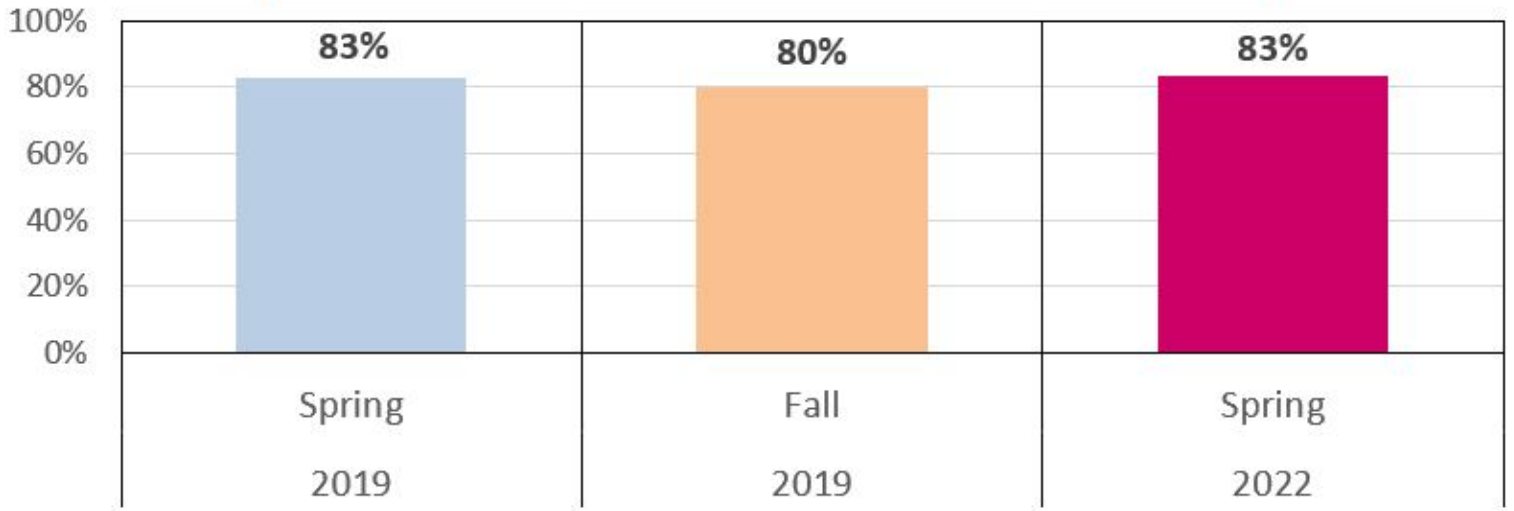

- *Infrastructure Improvements*
  - Ongoing systemwide elevator overhaul/upgrades replacing motors, gears, and door systems
  - Replacement of catenary (overhead power lines) on portions of the light rail lines
  - Track work on various lines replacing/repairing curves and switches
  - Ongoing Superstorm Sandy work to ensure more resilient power and communications systems
  - Repair/replacement of walking surface and curbing at stations, facilities, and parking lots ensuring continued compliance with ADA
  - Continued work with NJDOT to replace/upgrade light rail grade crossings across our system to improve safety for pedestrian, vehicular, and light rail traffic

Access Link

OVERALL SATISFACTION WITH NJ TRANSIT SCORE

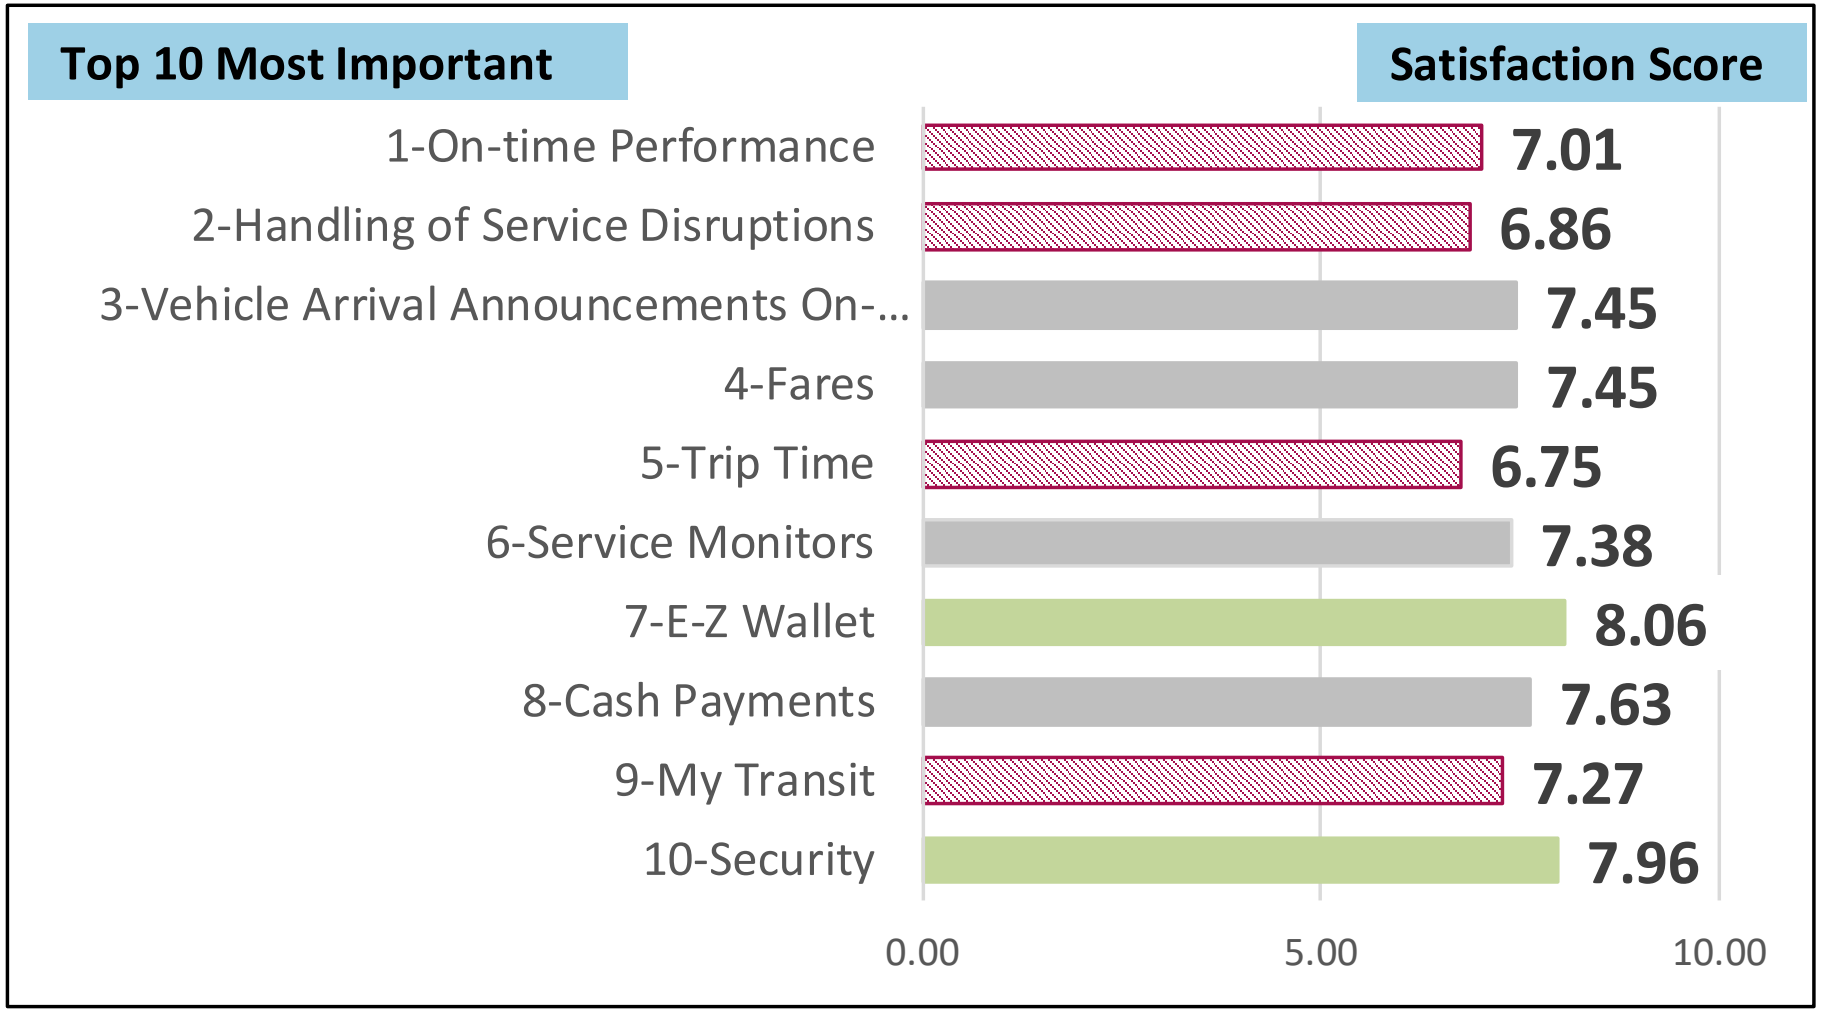

LIKELYHOOD TO RECOMMEND NJ TRANSIT

- ACCESS LINK Overall Satisfaction scores and the percent of customers likely or very likely to recommend NJ TRANSIT have increased modestly since before-COVID

Top 10 Most Important Service Traits for ACCESS LINK Customers

Customer Satisfaction Survey
Spring 2022

	Top 10 Satisfaction Score
	Bottom 10 Satisfaction Score
	Mid-Range Satisfaction Score

Customer Satisfaction Survey

Access Link Score Context

- *Communications*
  - Launch of the “Mobility Matters” series on NJ TRANSIT’s YouTube channel to educate Access Link customers about available technology, fare information, discounts, and travel instruction
  - Utilization of the new Access Link Twitter account and MyTransit alerts for more proactive communication about potential delays and issues, as well as special interest topics and government initiatives
  - Engagement in outreach focused on assisting customers and caregivers with options for reducing transportation barriers to life sustaining care for at-risk pregnant women and helping customers overall to understand how to effectively use Access Link

Customer Satisfaction Survey

Access Link Score Context

- *Technology*
  - Increased capacity of the Access Link phone system from 92 available phone ports to 115, reducing busy signal issues
  - Creation of a Digital Reservation Form to give customers another option to make reservations
  - Upgraded in-vehicle recording systems in all regions to enhance safety
- *Other Initiatives*
  - Rollout of Access Link's Field Surveillance program in Fall 2020 for quality assurance on vehicles in all regions, with results utilized to make service improvements and enhancements
  - Reintroduction of sedan vehicles to the fleet that had been reduced due to the pandemic
  - Increased hiring of drivers and operations support positions

Customer Satisfaction Survey

Summary

- The 2022 Spring Overall Satisfaction with NJ TRANSIT Score is 6.8 – The highest score since the survey started in 2011
- 81 percent of customers would recommend NJ TRANSIT – the largest percent to recommend since the survey started
- The scores and customer comments have been shared with the operating groups
- Scores will be posted on the NJ TRANSIT website
- The next survey will be administered in the Fall of 2022
